Subject: IEGC-2023: Information exchange and timelines in respect of Secondary and Tertiary reserves – submitted for kind information

Sir / Ma'am,

In line with the CERC (Ancillary Services) Regulations, 2022, an interim procedure was formulated for estimation of the requirement of reserves for Secondary and Tertiary. Stakeholder consultations on the above procedure was conducted by NLDC on 26th July 2022 and 27th July 2022. The suggestions of the stakeholders were incorporated and the procedure was submitted to Hon'ble CERC, which was notified by CERC on 2nd Dec 2022. Subsequently, a detailed procedure was formulated after stakeholder consultations (held on 28th February 2023, 1st March 2023 and 21st April 2023) for operationalization of Tertiary Reserve Ancillary Services (TRAS) from 1st June 2023. This was put up on NLDC website at <https://grid-india.in/download/detailed-procedure-for-tertiary-reserve-ancillary-services-tras/?wpdmdl=51157>

Indian Electricity Grid Code (IEGC) 2023 Regulations 30(11)(q), 30(12)(d), and 30(12)(l) mandates NLDC to formulate procedures for information exchange and timelines in respect of secondary & tertiary reserves.

In compliance to the above, the draft detailed procedure for information exchange and timelines in respect of Secondary and Tertiary reserves has been formulated and enclosed herewith for stakeholder consultation. The draft procedure has been published on Grid-India website on 30th August 2023 and is available at <https://grid-india.in/notices/>. Stakeholder suggestions/feedback on this draft procedure are invited at ancillary@gridIndia.in by 12th September 2023.

Thanking You,

Yours faithfully,

(S C Saxena)

Executive Director, NLDC.
