01:47 hrs

WARNING NOTICE

The actual transfer of electricity on following corridors has crossed the ATC.

Corridor/Control Area	ATC (MW)	Actual Flow (MW)
NR Import	8500	8788

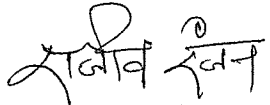

The following regional entities, which are downstream of the congested corridor are advised to reduce their drawl/increase their generation to decongest the system.

1. All regional entities of NR.

The following regional entities, which are upstream of the congested corridor are advised to

to / increase their drawl/reduce their generation to decongest the system:

- 1.

Shift Charge Manager

This is a warning notice before levying of congestion charges and is issued in accordance with the Central Electricity Regulatory Commission (Measures to prevent congestion in real time operation) Regulations, 2009

NLDC would send this notice to RLDC and RLDC would send this notice to regional entities.

Note: Fees may be changed as per requirement with prior approval of Central Electricity Commission.
