

[Internship Guidelines](#)

GRID CONTROLLER OF INDIA LIMITED (GRID-INDIA)

Grid Controller of India Limited (GRID-INDIA) is an independent government company that operates the Five Regional Load Despatch Centres (RLDC) and the National Load Despatch Centre (NLDC). The Electricity Act, 2003 has designated the RLDCs as Apex bodies to ensure integrated operation in the concerned region. RLDCs are responsible for carrying out real time operations for grid control and despatch of electricity within the region through secure and economic operation of the regional grid in accordance with the Grid Standards and the Grid Code. NLDC is the Apex Body to ensure integrated operation of National Power System.

GRID-INDIA is committed to ensuring Integrated Operation of Regional and National Power Systems to facilitate transfer of electric power within and across the regions and trans-national exchange of power with Reliability, Security and Economy and fulfilling various other functions assigned by the Govt. of India, from time to time.

1. Objective

GRID-INDIA is a knowledge oriented organization, wherein collaborations with academic institutes are valued. Internship is a platform where students and GRID-INDIA can interact and develop mutually beneficial relationship, GRID-INDIA stands to benefit from the ideas and innovation of young minds, while orienting them to Power System as a faculty / career. GRID-INDIA employees will be in direct contact with students by becoming guides and facilitate learning true to the spirit of “**As you Teach, You Learn**”. Hence, it will not only serve to foster deeper links between Industry and GRID-INDIA, but also serve as a tool for Capacity Building. Internship also offers a unique opportunity for Employer Branding. The aim of the Internship guidelines is to formalize this platform and in the process, make Internship a value additive and productive exercise for the Students, concerned educational Institutes and GRID-INDIA.

For the Student:

- A comprehensive practical experience
- Learning is the primary objective of the experience.
- A congenial and supervised field environment.
- An opportunity for students to gain better understanding about Power as a sector in general and Power System Faculty in particular.
- To help them evaluate and determine future career opportunities.
- To develop skills and make connections, gain insights in to Corporate Sector

For the Organization:

- Build 'Brand GRID-INDIA'
- To guide the student and to facilitate imparting the Power Sector Exposure, while the student applies theoretical knowledge to practical situations.
- To accomplish organizational goals
- To critically analyze the system and procedures of the organization.
- To utilize the novel perspectives and new ideas of the Students

2. Eligibility

All students pursuing the following courses may apply for internship at GRID-INDIA:

- Graduate or Post Graduate Engineering Degree programs in Electrical /Comp. Sc./IT/EEE etc.
- Graduate or Post Graduate Degree programs in Law/HR/Personnel Management/Finance etc.

- The graduate engineering students must have completed third year or VI Semester. (First and Second year students are discouraged to apply).
- The university/ college, to which the student belongs, must be AICTE approved/ central or Deemed universities or from recognized autonomous Bodies such as the IITs & NITs.
- To apply, the concerned Student must have a letter from his/ her college in original stating he is a bona-fide student and is allowed to undergo Internship at GRID-INDIA, clearly mentioning the duration of the Internship.
- The student who wishes to apply at a particular RLDC/NLDC, should apply to the Concerned HR at least 45 Days in advance.
- All Interns will be required to sign a Confidentiality Agreement before commencement of the internship.
- Students belonging to any other field will be strictly on a case to basis on approval of Head of the RLDC.

3. Process Owner

HR Department of the concerned RLDC/ NLDC will be responsible for implementation of the Internship Guidelines.

4. Process for Application by Interns

Channel 1 : Direct Application by College to GRID-INDIA

Any college desirous of placing their students for Internship at GRID-INDIA should, send a written application to Human Resources with details of students and their resumes along with the attached form at least 45 Days in advance. Only applications by AICTE approved colleges / Universities or deemed universities will be accepted. The application should be directly forwarded to RLDCs / NLDC where the internship is sought.

Channel 2: Employee Referral

Employees whose relations are desirous of applying to GRID-INDIA for internship should apply through the form given in annexures at least 45 Days in advance. The application should be forwarded directly to RLDCs / NLDC where the internship is sought. However, college recommendation should accompany the application.

5. Process for Specifying Number of Interns Required

- Concerned departments at GRID-INDIA-CC, NLDC, RLDCs specify number of Interns required in their respective departments, also indicating the Educational criteria. As each college has a different timeline for Internship, the total number of interns at any time to not exceed the number of Interns specified.

- Concerned departments should also identify the projects for the interns well in advance and specify the Guides.

Time Line for Summer Internship (for Internal Reference only)

- Requirement of Interns to be finalized by all departments by end of March every year along with the title of the project and the guides.
- List of Interns to be finalized by 15th June at the latest.
- Interns after 15th June to be considered at the sole discretion of the Head of the region

6. Selection Process

- Human Resource (HR) Department of the concerned region would be responsible for shortlisting candidates based on the criteria specified with respect to requirement.
- Head of the Region would be the Competent Authority for final selection of students.
- HR may place interns depending on the requirement and educational criteria specified, as per requirement specified, in consultation with project heads / guides

7. Guidelines

- Subject of Internship should be selected in consultation with project guide and from specific areas identified earlier by the guide.
- Educational criteria should be specified clearly, for each project.
- Internship shall be for a fixed pre-approved duration, during which the Intern will be required to come to office only when required and specifically asked by the Project Guide.
- Minimum duration of the Internship would be 2 weeks and maximum would be up to 8 weeks.
- When the internship sought is more than Eight weeks, specific approval of the Head of the Region will be sought.
- The project report, complete in all respects, must be submitted by the Intern to his/ her Project Guide.
- No Stipend/ TA/ DA/ Accommodation etc. shall be given to any Intern.

8. Issuing of Final Completion Certificates

- Final Certificates will be issued to the Interns only when a satisfactory evaluation is received from the concerned guides.
- Evaluation Form in the format attached or as required by the Institute may be provided at their request.

- All Interns, irrespective of their Branch and duration of the Internship are expected to submit a project report/ learnings from the Internship (depending upon the requirement).
- If required, they may be asked to make a presentation to the Head of the Region.
- The Certificate will be issued by the concerned regional HR Department, on submission of Project/ evaluation form to HR by the concerned guide.

9. **Disclaimer**

- All Interns will be required to sign a Confidentiality agreement before commencing with the Training
- Any research/ Analysis/ Project/ Report etc. carried out by the intern will be and shall remain the intellectual property of GRID-INDIA during and after the internship period.
- GRID-INDIA reserves the right to modify these guidelines and accept or reject any candidate without specifying or notifying any reason whatsoever.
- Any report to be submitted by the intern on the work done by him/her during the period of his/her internship to his / her Institute or elsewhere must be approved and agreed by his/her Guide prior to submission.
