Subject: Pre-Bid conference on Testing of primary frequency response of generators as per IEGC clause 5.2(g)

Madam/Sir,

In compliance to the IEGC 5th amendment regulation, National Load Despatch Centre (NLDC) on behalf of RLDCs has formulated a procedure for carrying out the primary frequency response tests. The notice inviting Expression of Interest (EOI) from interested agencies was released in leading daily newspapers of 1st October 2018 and 3rd October 2018 edition of Indian Trade Journal (ITJ). The detailed EOI document was also released on POSOCO website. To discuss the issues related to EOI, a pre-bid conference is being organized on 11:00 hours of Wednesday, 24th October 2018 at:

Tulip Conference Hall,
National Load Despatch Centre
Power System Operation Corporation Limited
B-9 (1st Floor), Qutab Institutional Area, Katwaria Sarai,
New Delhi -110016

The agencies interested to attend the conference are requested to arrive at NLDC premises 30 minutes prior to start of meeting for formalities i.e. security check, visitor pass generation etc. All foreign nationals are required to bring their passport alongwith a copy for generating visitor pass. In view of having a fruitful discussion, it is requested that only upto 3(three) representatives from an agency shall attend the conference.

Thanking You.

Yours faithfully
