

PRESS RELEASE

GRID-INDIA hosted GO15 Governing Board & Steering Board Meeting

New Delhi (23.02.2024): GO15 is the association of the Very Large Power Grid Operators, which serves more than half of the world's electricity demand. The association was created in 2004 with a view that transmission grid and a resilient power system are key to energy transition. GO15 is dedicated to high level exchanges among industry leaders and offers opportunity to address major strategic and technical issues affecting the safety, the reliability and the sustainability of power systems. GO15 endeavours to promote bilateral and multilateral international collaboration to prepare a sustainable future.

GO15 Governing Board and Steering Board **meetings** were hosted by Grid Controller of India Limited, at New Delhi on February **22nd and 23rd**. **Twenty-six industry leaders** from **ten** global organisations gathered for the meetings.

In alignment with the ancient Indian philosophy of "वसुधैव कुटुम्बकम् (Vasudhaiva Kutumbakam)", that World Is One Family and it has a shared future, GO15 meetings are a collective, global effort to build networks, navigate global power sector challenges, share expertise, and forge collaborative solutions.

The meetings were attended, among others, by Mr S.R. Narasimhan, Chairman and Managing Director, Grid-India and GO15 president, Dr. Bruno Meyer, Secretary general, GO15, Mr. Fedor

Opadchiy, Chairman, SO-UPS, Russia, Mr. Elliot Mainzer, CEO California ISO, USA, Mr. John Bear, CEO MISO, USA, Mr. Kazuhiko Shiba, Board Member & Managing Executive Officer, TEPCO Power Grid, Japan, Mr. Dong Hee Jung, CEO KPX, South Korea and Mr. Segomoco Scheppers, Managing Director Eskom, South Africa.

2024 also marks the momentous occasion of GO15's 20th Year Anniversary **and** special celebrations were organised to mark this event. The celebration gave an opportunity to take a nostalgic view back on the journey that GO15 and its members have undertaken to build this global collaboration. Mr. S.R. Narasimhan, CMD Grid-India and GO15 President remarked that "*Grid-India's association with GO15 has been since its very inception, it has been a valuable partnership that has helped in creating global knowledge pool, sharing expertise and building strong partnerships*".

Dr. Bruno Meyer, Secretary General added "Thank you to Grid-India for hosting this special event and congratulations to all members who have built this amazing power grids network to help navigate the uncertainties of power management across the globe."

A panel discussion on the topic "The Triple Bottom Line for Sustainable Grids: Adequacy, Reliability & Affordability" was also organized, Sh. Arun Goyal, Member, Central Electricity Regulatory Commission, India, Sh. Ghanshyam Prasad, Chairperson, Central Electricity Authority, India, Mr. Elliot Mainzer, CEO California ISO, Mr. Segomoco Scheppers, CEO Eskom Grid, Mr. John Bear, CEO, MISO, Ms. Claire Lajoie-Mazenc, Scientific Advisor, RTE, France were part of the panel.

The two days' discussions covered important topics of global implications on Resource Adequacy- risk & reliability in Power Systems, new technologies impacting the end consumers, how to build synergies and create a shared roadmap towards a brighter, cleaner, more sustainable energy future.

ग्रिड-इंडिया ने की जीओ 15 गवर्निंग बोर्ड और स्टीयरिंग बोर्ड मीटिंग की मेजबानी

नई दिल्ली। जीओ 15 गवर्निंग बोर्ड और स्टीयरिंग बोर्ड की बैठक नई

दिल्ली में ग्रिड कंट्रोलर ऑफ इंडिया लिमिटेड द्वारा आयोजित हुई। इसमें दस वैश्विक संगठनों के 26 उद्योग नेता एकत्र हुए। इस बैठक में नेटवर्क बनाने, वैश्विक बिजली क्षेत्र को

चुनौतियों से निपटने, विशेषज्ञता साझा करने के लिए एक सामूहिक, वैश्विक प्रयास किया गया। साथ ही, सहयोगी समाधान तैयार करने पर चर्चा हुई। बता दें कि जीओ 15 वेरी लार्ज पावर ग्रिड ऑपरेटर्स का संघ है। यह दुनिया की आधे से अधिक बिजली की मांग को पूरा करता है। एसोसिएशन को स्थापना 2004 में इस दृष्टिकोण से की गई थी। ये ट्रान्समिशन ग्रिड और एक लचीली बिजली प्रणाली ऊर्जा संक्रमण के लिए महत्वपूर्ण हैं। जीओ 15 उद्योग जगत के नेताओं के बीच उच्च स्तरीय आदान-प्रदान के लिए समर्पित है और अवसर प्रदान करता है।
